

To Whom It May Concern:

{Name of school or Super Saturday site} and the Virginia Association of Student Financial Aid Administrators (VASFAA) are pleased to announce that it will host Super Saturday on Saturday, February 13, 2010 from 10:00AM – 2:00PM at {insert site address}. Super Saturday is VASFAA's annual service project at which individuals seeking funding for postsecondary education can receive **FREE** one-on-one assistance in completing the federal financial aid form, the Free Application for Federal Student Aid (FAFSA). The FAFSA is the form used by colleges, universities and career-technical schools across the country to determine eligibility for student federal financial aid.

Each Super Saturday site will offer two financial aid workshops that explains the federal and state financial aid process, followed by a Q & A period. The host sites will also have computers available for students and parents to apply for federal aid electronically, along with volunteer financial aid experts to assist. This event is open to parents and students of all grade levels as well as adults interested in furthering their education.

The focus of Super Saturday is to offer one-on-one assistance in completing the FAFSA. Once the student leaves the event, he/she will have initiated the financial aid process for any college they are interested in attending and will have met the priority filing date for most Virginia colleges. The financial aid process can be daunting. VASFAA hopes that by offering students Super Saturday, one day of **free, expert assistance** to accurately complete the FAFSA, we can help hundreds easily begin the process.

A \$100 Book Scholarship will be awarded to one student at each Super Saturday site to be used at the winner's college of choice during the 2010-11 academic year.

Super Saturday is open to the public and assistance with the FAFSA will be given to new as well as returning college students. For more information about Super Saturday 2010, please visit www.vasfaa.org. Please share the enclosed flyers with anyone interested in money for college.

Sincerely,

Linda H. Woodley

Super Saturday 2010 Coordinator

VASFAA is an organization of individuals who administer financial aid programs or who are otherwise active in a financial aid-related profession. Its mission is to maintain an organization that promotes the professional growth and collaboration of its members in order to serve fairly the needs of students, families, and institutions in matters related to financial and informational resources that support students' postsecondary education goals. The organization is determined to help students pursue and attain their educational goals.
